BACKGROUND

In 1863, the 13th Amendment ended slavery in America.

On "Freedom's Eve," or the eve of January 1, 1863, the first Watch Night services took place. On that night, enslaved and free African Americans gathered in churches and private homes all across the country awaiting news that the Emancipation Proclamation had taken effect. At the stroke of midnight, prayers were answered as all enslaved people in Confederate States were declared legally free. Union soldiers traveled throughout confederate states reading the Emancipation Proclamation.

Unfortunately, not everyone in confederate territory was free in 1863. Freedom finally came on June 19, 1865, when some 2,000 Union troops arrived in Galveston Bay, Texas. The army announced that the more than 250,000 enslaved black people in the state were free by executive decree. This day came to be known as "Juneteenth," by the newly freed people in Texas.

BACKGROUND

In 2021, the Ramsey County Board of Commissioners in St. Paul, Minnesota, declared Juneteenth a holiday.

The ANIKA Foundation partnered with Ramsey County to produce an annual Juneteenth Celebration to commemorate this historic event. We were issued a Proclamation by Governor Tim Walz and Secretary of State Steve Simon acknowledging the momentous occasion - one year after the murder of George Floyd and 100 years after the lynching of Elias Clayton, Elmer Jackson, and Isaac McGhie, in Duluth, Minnesota.

Juneteenth is a community celebration that honors our culture, journey and contributions of People of African Descent in Minnesota ...in America. We celebrate our Ancestors, our food, our music, our families...our LEGACY! JOIN US!
